Dear Parents,

As a part of our Term 1 Unit, “East Meets West”, we have organised an incursion from the travelling Chinese Museum to run a program based around improving students understandings of Chinese culture and traditions. This program is quite different to the programs offered at the museum and involves the students in a variety of hands on experiences in their own classrooms.

The incursion is made up of three, one hour components. The first component involves viewing a performance in the hall which looks at the Mandarin language through song and movement. The second component sees students back in their classrooms with a Chinese herbalist to explore the healing properties of various traditional ingredients. After recess, students will again be in their classrooms to create an item of cultural significance.

The date of the incursion is Thursday 8th March 2012.

The cost has been covered by your payment of the ‘Pupil Requisites and Essential Educational Items’.

Please return the signed permission slip to school by Tuesday 6th March, 2012.

Yours sincerely,

Gayle Cope  
Level 4 Team  
Principal
