Investigate

Find out something related to our integrated topic 'NATURAL DISASTERS.'

This might include looking for information in books, newspapers or using the internet.

Challenge

The Puzzle: You have three bags, each containing two marbles. Bag A contains two white marbles, Bag B contains two black marbles, and Bag C contains one white marble and one black marble.

You pick a random bag and take out one marble.

It is a white marble.

What is the probability that the remaining marble from the same bag is also white?

Guidelines:

Please tick each activity as it is done. Please sign and return on the due date. Once you have signed the homework sheet, it is considered completed for the week.
