Dear Parents,

As part of the home-school link we invite parents to help facilitate the daily implementation of the school curriculum. The proposed role of the parent helper within and outside the classroom will encompass varying roles and responsibilities including:

- Special day activities and events
- Small group and individual assistance throughout the varied curriculum.
- Assisting classroom teachers with tasks including laminating or copying.

*Just a reminder that you MUST have a 'Working With Children' check and have completed the Parent Helper course at this school. Please give your WWC forms to the school office.*

To show an expression of interest please fill out the form below and please return to school by

Name: ____________________________

Phone number: ____________________ Mobile: ____________________

How often you would like to be rostered:

Weekly  Fortnightly  Monthly

Current times offered are:
9:00 - 10:00 am Literacy Reading (Monday, Tuesday, Wednesday, Thursday, Friday)
*The days may vary between each grade depending on timetable constraints.

Your help will be much appreciated.
