Dear Parents,

We are pleased to have organised an exciting visit from The Professor Maths Road Show to our school on Thursday 3rd May and Friday 4th May 2012.

Professor Maths will bring a large range of fun maths activities for students to rotate their way through in small groups. All the activities are exciting, stimulating and "hands on" and are designed to improve student's attitudes towards Mathematics. We believe this is a great opportunity and very beneficial for students.

We encourage all parents/guardians to allow their child/ren to attend.

Please ensure that the Essential Item component of the School's requisites and contribution levies has been paid to cover payment for this incursion.

Parents are welcome to attend the Roadshow sessions especially with junior grades.

Thank you
Helen Sterling

Principal
