**School Nursing Program**

Belinda Lock, a visiting primary school nurse from the Department of Education and Early Childhood Development will be attending the school in Term 2 to conduct the Prep health assessments.

The aim is to provide all Victorian children with the opportunity to have a health assessment: to link children, families and school communities to services available in the community: and to provide information and advice that promotes health and wellbeing.

In your child’s bag tonight is an envelope containing the appropriate forms. We ask that these forms be completed and returned to the school by Tuesday 5\textsuperscript{th} March 2013.

Thankyou for your assistance.
