Year 2 Excursion to Werribee Open Range Zoo

Thursday 23rd February 2012

Dear Parents,

To further enhance the integrated unit for term 2, “Safari”, an excursion to Werribee Open Range Zoo has been organised for Year 2 students on Monday 5th February 2012. In addition to exploring the zoo, by walking as well as in a specially designed bus, the children will be participating in the discovery session “Habitat Detectives”. The program introduces habitats as homes for wildlife and encourages the children to look more closely at their environment.

Date: Monday 5th March 2012

Time departing WPPS: 9:15

Time returning to WPPS: 3:00

Bring: Snack, lunch and a drink. Please pack your child’s snack and lunch/drink in two separate named plastic bags. These will be collected and stored in large plastic tubs.

All children are required to wear school uniform including their hats and we ask that sunscreen be applied prior to them arriving at school.

Payment to cover this incursion is from the Essential Item component of the School’s requisites and contribution levy.

This will be one of the term 1 highlights for Year 2 students.
