Dear Parents,
Tuesday night the school was abuzz with many people attending the Information Nights for Years 1 to 6. Information Nights were introduced two years ago as part of our School Strategic Plan to inform parents of the curriculum that is taught in each year level as well as explain classroom routines and protocols.

The sessions were well attended and handbooks have been produced for each year and are available on our school website: http://www.wattleparkps.vic.edu.au/page/95/Learning or a hard copy can be collected from your child’s classroom teacher.

This year, for the first time in a long while, Victorian schools have the autonomy to devise their own reporting format, template and schedule. Megan and the Education Committee conducted a parent survey last year to ascertain what parents valued most in terms of feedback on their children’s achievement.

The results overwhelmingly supported more ‘face to face’ meetings with classroom and specialist teachers and termly feedback.

Our planning is still in its infancy and there is much work to be done however we will have an interim reporting plan for this year in place. So stay tuned!

Monday afternoon’s assemblies are the one time that the whole school congregates together for shared ceremony and celebrations.
Year 6 students have the responsibility of conducting and organising the format. It is quite a daunting task to speak in front of a large audience of your peers and elders. It is most rewarding to see the confidence of the Year 6 students grow throughout the year. Many opportunities are presented to Wattle Park students to practise public speaking from Foundation to Year 6. Last Monday four Foundation students came to the stage to talk about the Foundation barbecue night.

One worded answers are the responses at this stage but by the end of their journey here they are remarkable speakers. All of the community are most welcome to join us at 3.00p.m. each Monday afternoon. Mrs Peszynski, our Mandarin teacher has organised something very special for assembly next week to celebrate Chinese New Year. So if you have time available, I’m sure it will be a most entertaining assembly.

Attached to this newsletter is information regarding School Council elections for Wattle Park Primary School 2015. We are indeed fortunate that we have a very active School Council who has over the years provided clear directions and stewardship for the school. In recent years the School Council has governed over considerable infrastructure growth, policy requirements as well as overseeing financial commitments and accountabilities.

School Council Elections 2015 –
Call for Nominations

An election is to be conducted for members of the School Council for Wattle Park Primary School. All DEECD Government schools in Victoria have a School Council. They are legally formed bodies that are given powers to set the key directions of the school within centrally provided guidelines.

There are 3 possible categories of membership:

A mandated elected parent category. Department employees can be parent members at their child’s school.

A mandated elected Department employee category. The Principal of the school is automatically one of these members

An optional community member category. Its members are co-opted by a decision of the council because of their special skills interests or experiences.

The term of office for members is two years. Half the membership must retire each year and this creates vacancies for the annual School Council elections. All you need is the desire to work in partnership with others to help shape the school’s future.

Nomination forms for the vacancies on School Council are available from the Office.

If there are more nominations received than there are vacancies on council, a ballot will be conducted in the two weeks after the call for nominations has closed.

Vacancies:
3 Parent members of Council

And just before I close, if you haven’t popped into the foyer of the office area, please do so; there are some beautiful photos of our Foundation students and their families as well as their Year 6 buddies.

Regards Gayle

IT’S HAT TIME AGAIN

All students are required to wear hats outside during recess and lunchtime.

Any student without a school hat, will need to sit in the designated area. If you know your child has lost his/her hat now is the time to purchase one. Please make sure your child’s hat is **clearly named**!

Please be mindful of our neighbours when parking in side streets. Do not park across their drive ways etc. Parking inspectors will be out to make sure local traffic laws are being followed.

Website Subscription

If you are new to our school, and as a reminder to our existing families, please remember to subscribe to our newsletter. The electronic newsletter comes out fortnightly and you will receive a reminder via your email when the new edition is out. Please go to our website at [www.wattleparkps.vic.edu.au](http://www.wattleparkps.vic.edu.au) and click on the subscribe button. This is the best way to keep up to date with everything that is happening at school. Visiting the website often will keep you informed on school events etc.
FIRST AID ROOM ROSTER 2015

In order to keep our First Aid Room clean and tidy, we require volunteers to assist with this task. We need approximately 40 families on our roster to ensure that every family only needs to do this once per year. It is not time consuming and requires approximately 15 minutes of your time on a FRIDAY.

The duties include:

- Changing the sheets, pillow cases and re-making the bed with clean linen (all provided in the first aid room).
- Washing and returning the clean linen for the following Friday.
- Checking that the area is clean and tidy.
- Wiping over the cupboards, bench tops and the sink.
- Tidying the spare clothes cupboard if needed.

If you are able to help with the above, please return this form to the office as soon as possible. If you have any questions, please contact Caroline van West or myself at school.

Thank you in anticipation.

Dear Parents and Friends,

At Wattle Park Primary School, we will be celebrating ‘Chinese New Year’ on Monday 16th February. A Chinese New Year lunch will be provided for those students that would like to participate in the Chinese New Year celebrations from ‘Noodle Canteen’ and a surprise guest will appear at assembly. This guest will bring vibrancy and energy and will provide our school with good fortune, prosperity and longevity.

Chinese New Year officially starts on Thursday 19th February this year and will be celebrated not only at school within Mandarin and Asian Studies sessions, but also at many locations around Melbourne.

The following information may be of interest to you about Chinese New Year celebrations in the wider community.

**Chinese New Year Celebrations**

SCHOOL PHOTOS

This year, school photos will be held on Friday the 20th of March 2015. This will be week eight of term 1.

The photography company that Wattle Park Primary School will be working with is 'Advanced Life Photography'.

Dear Parents,

This year, Language Perfect will be used in Mandarin and Asian Studies sessions, in the classroom as set tasks and at home for homework purposes and language development. All students from Years 3 to 6 are asked to participate in using Language Perfect weekly.

It is the expectation at Wattle Park Primary that students from Years 3 and 4 complete one list each week and Years 5 and 6 complete one or two lists each week. The lists will align with what the students have learnt during the week, or will learn in their upcoming week during Mandarin and Asian Studies sessions. Homework is set from Monday to Monday allowing students 7 days to complete their set work.

Language Perfect is an online self-directed learning tool for mastering one of the roadblocks to communication: vocabulary. Students are tested on their reading, listening and writing skills via an extensive range of words, verbs and common phrases available. It is simply a computer game that is 100% focused around vocabulary learning with all content customised to match exactly what they are learning in class. Students will enjoy the competitive environment, native-speaker pronunciation, and intelligent testing.

The key benefits of Language Perfect are:

- Intelligence testing engine - picks up and repeats any words students are struggling with;
- Online access - use Language Perfect on any computer or iPad with Internet access;
- Accurate pronunciation - every word is recorded by a native speaker for accurate pronunciation; &
- A spaced-repetition based scoring system - encouraging students to continually revise words.

To log into Language Perfect please go to [http://www.languageperfect.com](http://www.languageperfect.com), and/or download the Language Perfect app off the Apple iTunes Store and then refer to your child’s school diary that has your child’s user name and password. If you have any questions regarding Language Perfect, or if your child has lost their username and password please do not hesitate to email Mrs Ainslie Peszynski at peszynski.ainslie.a@edumail.vic.gov.au

We hope you enjoy using Language Perfect and expanding your Mandarin vocabulary with you child/children.

Introducing our new Sports Polo

We are proud to announce the inclusion of a new sport polo to our existing school uniform.

For those who have seen the school's current supply of shared polo tops for external sports days, the new polo is very similar.

The polo will be a compulsory addition to the uniform from grades 4-6.

We ask that all grade 4 students order the polo top, this year.

Grade 5 and grade 6 are more than welcome to purchase the polo and we highly encourage this, but children will have use of the existing shared polo tops for external events this year. Eventually all grade 4, 5 and 6 will wear the polo.

The sport polo will be worn with our current shorts and skirts within the range and can be worn on sports days at school as well as all external sporting events.

On external sporting events children are welcome to wear black shorts/trackpants, which parents would purchase externally.

The cost of the polo is $45.

We will offer orders twice per year meaning you must order at those times if your child would like the polo. No stock will be held outside of these ordering periods.

The first round of polo's will have a delivery time of approximately 8 weeks so please take advantage of the first opportunity to order.

Please find following an order form and payment options available.

If you have any questions, please do not hesitate to contact me via email
wpps.uniform@gmail.com

* Please place orders by Friday 27th February.*
