Welcome back to another busy and interesting term. We look forward to camp in week 7 to Warburton, the SAKGP and our classroom programs based on our units of work the First Fleet and Life Cycles.

STEVENIJE ALEXANDER KITCHEN GARDEN PROGRAM

During term 3 we will continue our Kitchen and Garden sessions! This program relies heavily on volunteers and cannot run without your support. The more volunteers we have, the greater the enjoyment, learning experience and smoother running of the program. A very big thank you to everyone who has kindly assisted so far and of course, we are always eager to welcome new faces.

4B and 4S still need helpers in the garden on Tuesday morning. It can be an invigorating way to start the day at this time of the year. Kitchen helpers also needed, so please see classroom teachers if you can assist.

Kitchen and Garden sessions remain the same:

<table>

</tbody>
</table>

Kind regards

Robyn Heeps, Helen Sterling and Drew Baxter

TERM 3 PROGRAMS

**Literacy**  Students will continue their personal writing through Writer’s Notebook and Journal writing. We will also look at narratives and expositions. Literature Circle discussions based on their home reading novels will continue, so please complete set tasks on time.

**Numeracy**  Topics covered this term will be: mapping, decimals and fractions, chance, graphs and data, solving problems, measurement, time, 2D and 3D shapes, as well as the 4 processes and number facts.

It is an expectation that by the end of Year 4 all students know their times tables.

Mathletics is a perfect way to revise and consolidate.

**Science**  This term’s science unit is Life Cycles. Students will learn about living things and their life cycle. We will integrate this with our garden program.

**History**  This term’s history unit is ‘The First Fleet’.

We will research the stories of the First Fleet, including reasons for the journey, who travelled to Australia and their experiences following their arrival.

**Homework**  Please encourage students to take responsibility for completing set tasks, record their reading and keep their diary up to date. Diaries are to be signed each week by the classroom teacher and parents.

**DATES TO REMEMBER**

**Homework**– Each Monday

**SAKGP** – Tuesday (4S & 4B)

Tuesday & Wednesday (4H)

**Boite School Chorus** – 30th of July

**Music Incursion Oz Opera** – 31st of July

**Library Book Fair** – 11th – 13th of August

**Warburton Year ¾ Camp** – 27th – 29th August
