**Do your kids need more fun and friends in their life?**

**Are you looking for an alternative to iPads and computer games for your kids?**

According to Michael Carr-Greg Scouting is one of the best kept secrets for developing resilient youth. Scouting's programs, the friendship, the skills learnt and the activities all combine to give children the resources to develop a sense of personal self worth and confidence.

The scouting movement aims to develop the whole person, social, physical, emotional and intellectual THROUGH HAVING FUN and 'learning by doing'. We spend lots of time in the outdoors and no time watching screens.

19th Camberwell (South Surrey Park off Riversdale Rd) currently has limited places for girls and boys aged 8-11 in the cub pack.

The cub pack meets from 7-8:30 on Tuesday evenings.

Activities include: outdoor, games, orienteering, cooking, camping, learning to light fires, science, navigation, walking and whatever else we can think of that is fun! For more information to go <http://www.vicscouts.com.au/>
