22nd July 2016

**Noticeboard**

**Jars**
We need clean unlabelled small to medium jars for our school fete.

**Wattle Park Primary School**
**Car Park is for Staff Only**
Please do not park there unless you have approval from the Principal.

**DO YOU HAVE A LEMON TREE?**
The fete committee would love any lemons, oranges, grapefruit etc. for the fete. The fruit will be juiced and frozen for lots of delicious treats in November. A box has been left at the office for your donations.
Thanks!

**Working Bee**
Sunday 24th July 2016
9.00am-12.00pm midday
If you could spare some time please come along to help.

**Children are not to be in the school grounds before 8.45am unless accompanied by an adult or attending running club.**

**There are no teachers in the yard before this time.**

**If children are dropped off before 8.45am, they will be sent to before school care run by Camp Australia at a cost to the parents.**

Foundation - Grade 2  4.30pm - 5.15pm
Grade 3 - 6          5.30pm - 6.30pm

* More details to come
This week at OSHC we've been busy with our “Get to know you,” week to help Lizzie learn all there is to know about the children in OSHC.
We have started our “Awesome Points,” board, where children can work towards individual goals to earn a reward, and contribute to a group reward to earn a movie night for the whole group. We've also been working on some 'Laminate Lead Light' to brighten up our windows with. Children have been drawing black lines on the inside of a laminate pouch and colouring in the shapes with bright sharpies. When finished, it turns into a beautifully bright window display.

We're also trying out Camp Australia's new Health Choice menu, with the cheese toasties being a big hit on Monday. We'll be trying lots of new recipes in the upcoming weeks, and hopefully discovering a few new favourites.

Have a wonderful week!

Lizzie
OSHC Coordinator
Science in the Park: Wildlife Counts

IDENTIFY AND MONITOR
- Local species of birds, frogs, koalas, ants and freshwater invertebrates

HANDS-ON SCIENCE ACTIVITIES
- Join PrimeSCI, the LabRats Student Science Club, and Parks Victoria
