## Wattle Park is going mobile Want to be kept in the loop??

Konnective is a mobile app solution that will allow us to communicate with you, our parents, straight to

your smartphone. You will be able to receive important alerts (similar to a text message) as soon as they are released.

Via the app, we can send communication to specific grade levels, so you will receive information specific

to your child's grade as well as general news or updates that will go to everyone. This will extend and en-hance our existing communications (eg. Newsletter, website).

For those without a smartphone, there will be a link to the general updates on our website.

If you have anything you would like to go on to the Notice board please email Suskia at [Kiatarna@hotmail.com](mailto:Kiatarna@hotmail.com) by the Wednesday of Noticeboard week. We will endeavour to include it.
