3/12/2014
WATTLE PARK PRIMARY SCHOOL
FAMILY CAROLS NIGHT
THURSDAY 11th DECEMBER
7.00 pm ON THE BOTTOM OVAL

The children have been working hard preparing their Christmas Carols and songs. We would like to share with you the organisation for this year.

- Please have your children at school by 6.50pm, so that we may start at 7.00pm.

- The children will be seated with their teachers in their class groupings and will be under the supervision of their teachers until the end of the Carols.

- Each grade level will be called up to the stage by our Grade 6 Music Leaders to present their Christmas Song and then to sing one Communal Carol.

- We encourage all in attendance to join in the festive spirit and sing along with the Communal Christmas Carols. The words to these will be found in the program.

- All children performing at the Carols are expected to remain for the duration, after which the children will be dismissed grade by grade.

- Please note that the School Council has deemed that this be an alcohol free event.

- All children have worked extremely hard and are once again excited about performing to the whole School Community, so we hope that you enjoy the evening.
