15th April 2015

Dear Parents/Guardians,

As part of the Term 2 Unit, 'On the Move' Foundation students are learning about transport and safety. 'Ouch!', The Ambulance Education program will visit Wattle Park Primary School on Wednesday 22nd of April. Foundation students will learn what the ambulance service is for and what to do in an emergency.

They will experience being inside the ambulance and see some of the lifesaving equipment used aboard these vehicles. If you have any queries please see your child's teacher.

Foundation Teachers
Pia Chadwick, Julie Gledhill & Helen Sterling
