9\textsuperscript{th} October 2015
Dear Parents,

As part of our studies on Fairy Tales we will be having an incursion this term. Drama Toolbox will be held on 16\textsuperscript{th} October 2015. It is a hands-on, educational experience where the children will participate in acting, role-plays and live theatre, based on stories we have studied in class. They will be able to use Fairy Tale character costumes and create scripts for their role plays.

Parent helpers are not required for these incursions. The cost of this incursion is covered by the student requisite payment. If you have any queries please see your child’s teacher.
