Dear Parents,

Please find a couple of reminders about our upcoming Hooptime basketball round robin to be held at MSAC on **Tuesday July 22**

1. The times for the buses have altered slightly. Students will now be required at school at **8:15 am**. They are to meet their teachers at the front gate, just outside the OSHC (before/aftercare) room.
2. The return time is now **approximately 3:30 pm**. We may be a little later depending on traffic and if this is a concern for you please advise your child’s teacher of the arrangements you have made with your child in the case of a late return time.
3. The students will be given their uniforms the day before the excursion and should wear this to school on Tuesday. If your child is away on Monday we will have their uniform waiting for them at school.
4. **Please note that you are required to supply shorts or leggings without pockets. If this is a problem pockets can be taped over as an alternative.**
5. Please remember to pack enough food and healthy snacks for a day full of physical activity and include a **refillable water bottle**.
6. Remember to label your child’s bag, clothing and all belongings. There will be a large number of students from other schools also attending.
7. There is room on the buses for all parent helpers to travel with us. If you wish to take your own car in please make sure that you arrive no later than 9:30 am and **notify your child’s teacher that you and/or your child will not be travelling on the bus.** This will ensure that we are not held up waiting for anyone unnecessarily.

We are all looking forward to having a fun day!

Kind Regards

Mel, Julie, Sam, Karl, Chris and Gayle.
