SCHOOLS TREE DAY 2015

Thursday 16th July 2015

Dear Parents,

Schools Tree Day is Australia’s largest community tree-planting event. Each year, around 2500 schools across Australia take part in Schools Tree Day. Students nation-wide have learnt how to plant, and care for the seedlings they grow.

This year’s Schools Tree Day is to be held on Friday 24th July. Wattle Park Primary School is very proud of the long association with the Friends of Back Creek and acknowledges the passion of Rob Brierley, a parent of past students. With the support of the City of Boroondara, for the past fourteen years he has coordinated the planting of hundreds of tube stock and encouraged students to return with their parents to see how the plants are growing.

This year students in Year 2 will be walking to the end of Hollsmoor Road, Camberwell with their teachers on Friday 24th July. We shall be departing school just after recess at 11:30 am then returning to school by 1:15pm.

Parents are more than welcome to join us for both the walk to Hollsmoor Road and back to school, as well as for the tree planting.

Could you please complete the form attached and return the page to school so your child can participate in this activity, which so closely connect our students with their local environment.
