

What's great about Wattle Park PS?

The Communication Leaders went around to each year level, asking students what they like about the school.

There were some very interesting thoughts such as, a foundation student said she loved the butterflies in the garden (look closely in our photograph!)

Buddies, the Year 6 Leadership program and the Stephanie Alexander Kitchen Garden program were very important to our students, as well as our friendly community and of course, our friends!

The table below summarises the students' responses.

	The School Community – teachers, friends	Specialist Programs such as PE, Performing Arts, Visual Arts and Mandarin and the Kitchen Garden Program	School Grounds and facilities such as the canteen, drink taps, classrooms, garden and playgrounds

Year 6	✓	✓	✓

It was a great experience, we had lots of fun, and it was fabulous learning about the students' thoughts on Wattle Park Primary School.
