Year 1 – Rock Pool Discovery

Dear Parents,

Excursion

As part of our integrated studies unit, 'Rock Pool Discovery,' we will be visiting the rock pools at Ricketts Point on **Tuesday, 13th March**. Students will embark on a journey exploring and investigating the rock pools, animals and their habitats. They will also be exploring the rock pool ecosystems, the various habitats that these animals call 'home' and the strategies animals employ in order to survive.

We ask that all children are at school by 8.50 a.m. so the bus can leave promptly. Please make sure your child is in **full school uniform, with appropriate shoes and has their hat**. Students also need to bring their recess, lunch and a drink bottle in a small backpack.

Date: Tuesday, 13th March

Time departing WPPS: 9:00am

Time returning to WPPS: 3:00pm

What you'll need: Students need to bring their snack, lunch and a drink bottle in a small backpack (it is also recommended that your child has applied sunscreen prior to coming to school and you may wish to pack some for them to reapply throughout the day).

Incursion

We also have Wild Action coming to share a rock pool experience with us on **Friday, 9th March**. Here, students will get up close to many animals found in a rock pool, observe specific features and characteristics of animals and discuss classification and relationships between the animals.

The cost of both the excursion and incursion will be covered by your payment of the Parent Payment of Essential Items Component of Pupil Requisites and Supplies. Please see your child's classroom teacher or Gayle if you have any concerns with this. **Please return the signed permission forms back to your classroom teacher by Thursday, 8th March.**

Yours sincerely,

Emma Tan, Julie Gledhill, Kim Duong and Gayle Cope

PLEASE SIGN AND RETURN **ALL** PERMISSION FORMS
