February 27th 2014

Dear Parents,

On Monday 3rd March the Foundation students will be visited by the Burwood Platoon, Fire Education Unit. Fire Officers will teach the children about safe and unsafe fires, safety plans in the home and the Stop, Drop and Roll procedure. The children will see firemen in full fire fighting uniforms including head/breathing gear. They will enjoy practising the Stop, Drop and Roll and will be able to ask the firefighters lots of questions.

The Fire Ed Unit will revisit Foundation students on Wednesday 12th March to demonstrate the fire engine operations, sirens and hose displays. The Fire Education Unit incursion enhances our Term 1 Unit, ‘All about me’, where students are learning about the community where we live.

If you have any queries please see your child’s teacher.

Foundation Teachers

Kathy Skantzos   Pia Chadwick
