

WATTLE PARK PRIMARY SCHOOL

Student Integration Policy

Purpose

- To provide students of all abilities free and equal access to all educational programs offered by the Wattle Park Primary School (WPPS) with encouragement and help to develop their full potential.
- To implement the government policy which affirms that identified students have the right to be integrated into the regular school system.
- To ensure all students understand that WPPS is an inclusive school community and will provide opportunities for all students. To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Wattle Park Primary School.

Implementation Guidelines

- The school will utilise the resources at its disposal in a sincere, positive and ongoing endeavour to provide students with the means to achieve access and success.
- Resources will primarily be made available by the Department of Education and Training (DET).
- A Student Support Group will be established for each student identified as eligible for funding as per [DET guidelines](#). This group will provide advice to the principal concerning the additional educational needs of the student and what may be required to meet these needs
- Parents, teachers and students will be involved, where appropriate, in collaborative decision-making about program development, implementation and welfare issues.
- The programs offered will ensure the appropriate content and methodology conducive to the participation in regular classes of students with additional needs. This will involve an on-going review of existing programs.
- An Individual Education Plan ([IEP](#)) will be developed for each student on the program.

Evaluation

This policy will be reviewed as part of the school's review cycle.
